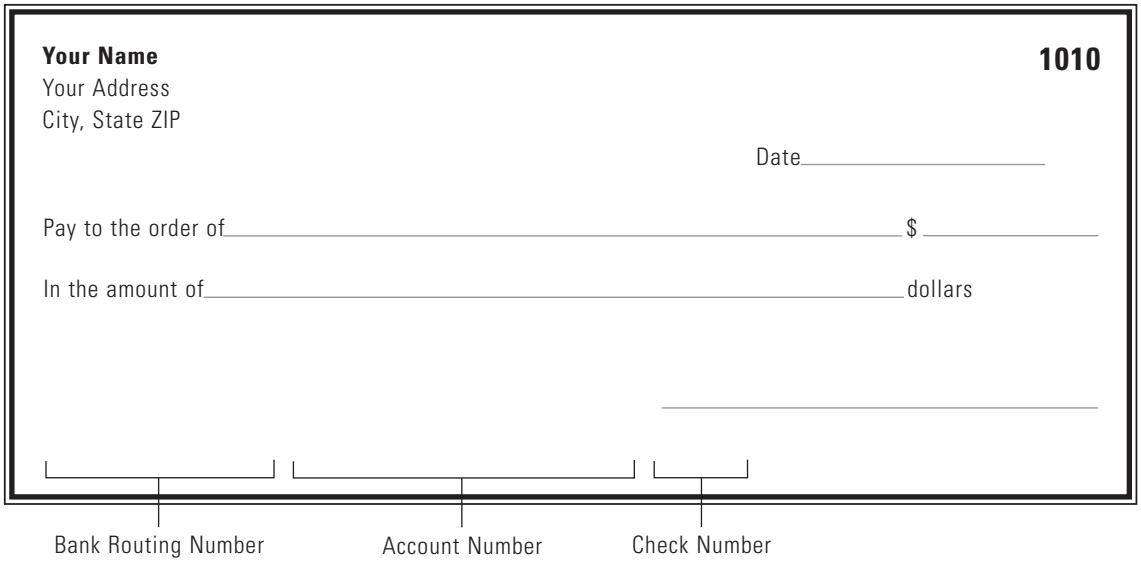
PLEASE ATTACH A VOIDED CHECK OVER THIS SAMPLE.



You can set up a maximum of three direct deposit accounts—a combination of 2 checking/1 savings or 1 checking/2 savings. Please fill out separate forms for each account. If you are enrolled in the 529 College Savings Plan, you can have up to two additional direct deposit accounts.

Please allow two to three pay periods for your direct deposit to begin after submitting this form and beginning your assignment. Until you receive direct deposit, your checks will be mailed to your home address on Tuesday from Boston.

Per federal regulations, funds will be made available 48 hours after your data is transmitted on Monday night. In most cases, funds will be in your account Wednesday night by midnight, but you should verify with your bank the exact availability.

*If you wish to have your check directly deposited into your savings account, please contact your financial institution, as savings routing numbers may differ from those found on checks or deposit slips.
